“ He was a wonderful man and will be missed by everyone that knew him. I smile when I think about stopping by there on a summer day to pick up Candace for whatever reason. Mr Ingle was always sitting on the porch with ALL the neighborhood kids. They just loved talking with him. Bikes everywhere kids on the porch and even in the yard. I also remember how hard he worked to decorate for the Holidays especially Christmas. I know that it will never be the same for y'all but please keep his Holiday spirit!! I pray for all of you to find peace and comfort in the upcoming days. Love you, Shannon

“ *I was so sorry to hear of Mr. Ingle's passing. He was my daughter's father-in-law. She has had nothing but good things to say about him. She loved him dearly.*

He will be missed by all who knew him. He will always be with you in the kind words he said, the thoughtful ways he touched your lives and the love he had for his family. Hold dear those precious memories.

Prayers being said for GOD to bring you comfort during this difficult time.

“I had the best brother, known as big boy to his many aunts and uncles who continued to call him that until they were gone, especially aunt Barbara. There will be big hole in my heart which keeps getting bigger as I lose so many of my loved ones. Where there was once seven there is now only two, Claudette and myself, but I consider myself so blessed to have belonged to this family, poor but filled with love and so much fun, we had the greatest mother ever and I still miss her as i am sure all of you will miss Harold. I loved both him and Doris and look forward to seeing them again. Wish I were able to visit but please know that all of you are in my thoughts and prayers.

Please keep in touch and if you are ever able to visit would love to see you all. Hugs and kisses to all. Love, your aunt Linda.
