“ Karen and Sharon, I am so sorry for your loss. Beulah was such a special aunt in so many ways. When she came to visit, you could always hear her distinct laugh and know she had arrived. We always had great times and I remember hearing stories about her times of babysitting with my older sisters, what fun they had. I pray God will give you comfort to get through the tough times and to realize what a blessing she was to everyone she encountered. We know that she and my mom (Liz) are having a great discussion right now in heaven. When those two would get together, they could out talk everybody. Take care and know you are in my thoughts and prayers. I love you so much. Pat Walton, Abingdon, VA
