

## Beulah Laxton

July 3, 1920 - September 25, 2017

Beulah Laxton (Prince) was born July 3, 1920 in Trenton, Georgia. She was the youngest of four other siblings to Martin Buren Prince and Sara Lodema Jane (Holland) Prince. She was united in marriage to Thomas Laxton Sr. in 1936 in Kentucky. From this union were born ten children, two of which died early in life. She resided in Kentucky and West Virginia a good part of her early married life until her husband's work brought her and their children to Indiana where she resided and raised most of them for almost 20 years. Upon her husband's retirement, she then moved to Michigan where all her children had moved and lived there for the past 39 yrs. Beulah was then baptized as one of the Jehovah's Witnesses where she spent much of her time in the preaching work until ill health confined her to remain at home. She loved her children and grandchildren and all the others that followed, as there were many. She loved cooking, sewing, gardening and she loved her chickens and roosters, she also loved Jehovah. Beulah died in her home with her three youngest daughters who took care of her until the very end. She will surely be missed by her family as we had her for a very long time. We are surely awaiting the resurrection of our dear mother which won't be long now. What a joyous time that will be

“ *My Name is Shilah Minnick. I am one of many Grandchildren. My most memorable memories of my Grandmother, is that you never left her home, with an emty stomach. She loved all her Grandchildren, of course there were some favorites lol! My most memorable lesson is the unconditional love that she showed my Aunt Judy/ her Daughter. Aunt Judy is mentally challenged, & both my Grandparents taught us the true meaning of unconditional love. They taught us, no matter what, Family comes 1st. No division. Grandma was very lucky. Most of her Children cared for her, until the very end. Including my Mother Shirlene Minnick & other Children & some Grandchildren. Unfortunately, all of us could not be there, the moment she passed, however she appreciated & knew she was loved by all her Family. Forever in our hearts.*
