“ *Bill, I miss and love you so much! I still can't believe this has happened... How am I going to live without you? You're my everything! I know you're happy and healthy in Heaven right now. I am happy for that but I need you too...One day we'll be together again. I know that in my heart... I'll always love you!!!*

“ *Though Billie and I were not very close, I feel like we had a connection through Scott Gagnon. I will never forget how helpful Billie and Janet were during Scott's last days. Also, Billie made some of the best mostaccioli we ever tasted. Rest in peace Billie.*
