“ *When Cathleen was about five years old and her sister Nancy was about two years old I (Aunt Valerie) stayed over night, well in the morning as I was sleeping Cathleen was reading a children book to me and Nancy was singing to me. Also when Cathleen came over from Thailand she was two years old and was unable to speak english. Her parents and her sister lived with their father's father and mother along with I (Aunt Valerie) and their (Uncle Russell). During this time I was teaching Cathleen a little english and she was teaching me Thai, it was so cute and the only Thai word I remember is pome meaning hair. I will always love you Cathleen.*
