“ *My fondest memory was going to Colleen's on the holidays or when there was a party. She would make so much food...I mean enough for the whole neighborhood..ha ha....(and of course she insisted everyone take some home)....and afterward sitting round the table...talking and playing euchre till 5 am. We had such a good time. Colleen was tough as nails with a heart of gold....and I am going to miss her. My deepest sympathy to the family. My thoughts and prayers are with you at this difficult time.*

Memory Eternal Colleen!

You were a nice friend, and my biggest regret is losing contact with you for so many years. With the love and admiration I am reading about you (and a grandmother, too), it sounds like you did really well for yourself. May God watch over you now (and maybe give you a couple of tips on your pool game, too).
