“ Our hearts ache at this unimaginable loss and the Gyuran family doesn't even know us. We just had to write. Since having lost our own loved ones, we understand your pain. What has helped us to cope is comfort found in the Bible. A tremendous help has been Revelation 21:4 which says there will come a time when there will be no more tears of sorrow or pain and even death will be no more. Also, John 5:28, 29 speaks of a future resurrection to life. We hope God's promises can offer you a small measure of comfort at this most difficult time as it has done for us. Please accept our heartfelt sympathy. Sincerely ...
