GW

“ So sorry for your loss. Praying for God to help comfort to his children and family and friends who knew him. May he Rest In Peace. May the memories you have of him help bring a smile to your face as you think of all those fond memories. He is proof that life is just a vapor. We are not promised one second so we must make the best out of life and be ready to leave this world. Praying God's love and Peace to you all. (((Hugs)))
