“ *D. Wright, my man. I could not have asked for a better counterpart to start my career as a State employee. I will share a time that showed true characteristic of Derek. We started at Maxey's main kitchen, and we joked around a lot, but took turns with the duties we had. One day we loaded the food truck for delivery and it was my turn to pull the prank. After the truck was loaded and Derek pulled out of the dock, the dock door "just happened" to come down and it did some pretty good damage. Well I learned what a comrade I had in Derek, where our story came together so quick that we couldn't believe it. He was a loyal friend who had a solution for anything you threw his way. Hadn't talked to you in a while, but when we did it was laughs and old times. Gonna miss you D, but I'll see you at the crossroad. Peace be with you.*

“ *A great friend, that would listen to me, and give me great advice. We use to go to the movies together all the time, back in the late 90's. I will miss him.*

“ I worked at Sequoyah Center for the State of Mi. at W.J.Maxey Boys Training School in Whitmore lake, Derick worked in the Kitchen and was our Youth Aide and we could not of asked for a friendly, fun loving and hard working co-worker. Never a dull moment with Derick, lots of cute grins, smiles and so much laughter, I remember when there were some batteries that were missing from the kitchen when one of our transition youth stole them, that was not a good night for Derick, haha! But he with his quick wit located them and wasn't even mad at the youth but he was at the staff that let him steal them...lol

Will never forget you Derick, say Hi to my Dad will ya ! May the love of God heal the hearts of your family and friends, you will never be forgotten with all the beautiful memories we have shared.

“ Just saw Derek around Thanksgiving as we met up to catch some football games. Really shocked and saddened for Derek's family. Derek was a good person. My best to his family.

“ *The last time I saw Derek, he made his way over to me and he was smiling and we were talking about Family members from the past. I was very glad to see him as we hadn't seen each other in a long time. He had a quiet manner about him, but he had a bright and quick smile that drew one to him. These are two of the things that I will always remember about him besides the fact that I know he was a kind hearted person toward others and his kind spirit will remain with us.*

*May God bless the family and hold you tightly wrapped in his arms.*

*Love,  
Mary*
