“My sympathy to the family. It is not easy when someone we love dies, the pain and feeling of helplessness can seem unbearable. May you find comfort in Jesus words, "I am the resurrection and the life."-John 11:25

“Very sorry to all of Dina's Family for the loss. Unfortunately our Families have grown apart but though I do not have any current memories I have so many from when we were kids her crazy way of living life will be in my thoughts forever. Every time I think of my Cousin it seems the best times we had were up north riding motorcycles and goofing off. I have so many funny stories in my head it's hard to put my finger on just one? But the one that sticks in my head is when Grandpa's dog ran in front of her while she was riding a dirt bike. Grandpa swore Dina drove over his dog Herman and left tire tracks on his back. I couldn't see any but I know Grandpa thought those tracks were there for years. That story always cracks me up. It's hard for me to even believe she is gone. God bless her girls and Family. I am sure she truly will be missed.
