“ Doug , it's hard to believe you've left us so soon. Bud & I will never forget all you've done for us. Donna is praying for you all the time ,she is very sad . I remember the 1st time you brought that beauty Jessica home to meet us , such happiness in your smiles , she loved you very much. We always had a good time with you two , and love you so much it hurts. Even though we are in Florida we will always be there for Jess , both of you are in our hearts forever . Love you both , Bud , Linda & Donna , Rest in peace my friend

“ Douglas,

*What is there not to say after having you as a friend to me, and my family over the last how many years? From way back to you and Charlie taking the boys out fishing, and would filet the fish in your backyard. One day you threw one over, past our yard over in to Linda's pool. Her reaction, as many other's when you played your practical jokes were hysterical, and will never be forgotten. You were always there when I needed you. No matter what it was, and I will never forget all you've done for me, and my family. Always giving, but never asking for anything in return from anyone. From our Halloween's to swimming, they're so many wonderful memories. I loved going with you to see the eagle's at the lake. You could tell how much you loved it. And your pictures were amazing! I love you Douglas. Yesterday, Today. And forever. Til we meet again, dear friend. Until then, soar with the eagle's you so loved. Fly till the sun leaves the sky. and rest, my friend. Rest in peace. Love, Lynne, Charlie, Todd & Sean and their families*

“ Jess, you've been heavy on my heart this week. Knowing who you are tells me enough about Doug. Big hearted, great sense of humor, willingness to help anyone anytime, and lover of dogs. Take care of you because so many of us cherish you -- and embrace the prayers that undoubtedly so many people are saying for you, throughout this, as well as every day.

“*Doug, I can't believe that you left us so soon. I will forever cherish all the wonderful things that you did for me and my family. Always there with a kind and encouraging word whenever I needed it and always willing to help me no matter what I needed. I will forever remember our wonderful summer vacations (and winters too) at the cabin. The fishing, the eagles, the loons and even getting towed in on the pontoon when we lost the prop. I have so many wonderful memories with you and our family. You are greatly loved and missed and will be forever in our hearts! Love, your sister-in-law, Julie Hoover.*
