“ Mom, I love you so much and I'm already missing you like crazy. I will always cherish the memories we made ?as a woman I will try to continue my strength "and stubbornness" I get from you. I'm so sorry we didn't get more time together here on earth. I'm thankful for having my 32 years with you. Please send me lots of butterflies ? You Are My Guardian Angel. Rest in peace my dear mother.

Angie I am so sorry about your Mom. Glad I got to see her last trip home. She had just gotten out of the hospital then to. I know how it feels to love a Mom, cause I lost my mom this month only in 2006 on the 2nd of Jan. Time will heal, and you will miss her dearly, but you never forget her. I talk to my mom now and know that she is listening to me. Heartach yes, but time will heal. memories, yes lots of them. From the time I met your mom and dad till now. Your mama's family is my family. And i love being in the family. RIP Elly
