“ Words can not express how loving and caring this woman has always been. Our last talk we had you assured me when God calls you home you would be just fine and that you will continue to work on your relationship with our Lord and Savior. I know you will be missed by us all but I trust you are surely resting. Thank you you all the long and loving talks you had with me as I grew older and for loving me and my family in out times of need. Love Kenya and family.
