“ *Deepest Condolances to each and everyone of you on the passing of dear Ella. I hope you can find peace knowing she is no longer suffering. That she is now reunited with her beloved Jim. She's already had a giggle with my dad, and my mom had a steaming hot cup of tea ready for her arrival in heaven. In loving memory of my "other mother"...I'm so glad a had a couple little visits with her not to long ago. One in which she was upbeat and very lucid. And one not so much...but she still knew me and she was happy I had brought her a pie and a bit currant cake as a treat. I love you all...always have, always will!*
