“ My condolences to the Nedd Family. I met Mr. Nedd briefly on one of his trips to visit Toni in Washington, DC. She continually expressed how much she loved her father and her family. No doubt that he was truly loved and will surely be missed by many. I pray God's peace and comfort for the family.

“ My memory of my dear friend Eros is many the one that sticks out among others is that he was a man's man we were at work and he told me that I had a flat and as you know I'm Michigan it can get really really cold and it was very cold this day eros took my tire off my car put the donut on in the cold I barely had air in the donut he ask, me did I have any money, this was a bad week for me so, he would put some money in my hand and told me to go to the gas station and put air in the donut. Air is only \$0.50 and \$0.75, this man gave me a couple dollars to do this. this is what I mean by being a man's man and he was my dear dear friend and I'm going to miss him, he keep a smile on my face an laughter in my heart, not just my face but everyone's face. God Bless the Family, HE was Turley A Great Man.

“ *I remember we had a good time visiting the family, they wanted to do something nice for us, so, we drove to Niagara Falls that Sunday, just for the day. We had lots of fun, but boy we were tired when we got back home LOL. Mr. Nedd was a great host. It has been said in several messages, he loved his family May God bless each and everyone of you. Yours in Christ, Annie Drakeford*
