Tribute Wall

“ I remember my Mother (Mary Cadarette) taking me to visit Eva at her Mothers house long ago, I use to call Eva's mother "Hey You" in which Eva would remind me through the years of the nick name I gave her mom. Eva to me was a very kind hearted woman in which I will miss her deeply. My mom loved her like a sister and is heart broken to know of her passing. Even though Eva has left us I truly believe we will all see each other once again in God's house where the reunion will mend the broken hearts we have from this day.
