“*I didn't know Mrs. Moore but I do know her daughter Elaine. Elaine is a very dear friend and one of the kindest people I know. I'm sure Mrs. Moore had that same quality! My family and I are praying for you all. We love you and believe that God is holding you in the palm of His hand.*

“*I'm the youngest grandchild and nothing short of blessed to have got 22 amazing years with my grandma! I remember a while back she and I had gone with my mom to run errands all day. Grandma was hungry and my mom decided to stop to see my Aunt, while grandma and I stayed in the car. About 10 minutes later grandma turns to me and says "if your mom doesn't get out of this house we are leaving her here and she can walk!" And then she started laughing at herself haha. I love you grandma!!*
