“ *My Uncle Greg was my Godfather. I remember the infamous tacos he had made, and eating over his house when the family (Aunt Holly, Emil and Betsy) lived in TAYLOR. My Uncle also taught me how to drive when I was 18yrs. old, helped me pass the driving test. I have a special poem that my Grandma Porath wrote/shared with me that she had for my Uncle Greg (her son) as a baby. May my Uncle Greg rest in peace. I am glad that my Mom (Diane) meant so much to him (his sister) and the compassion by my Aunt Carol (sister). I am glad you are not in anymore pain Uncle Greg, say Hello to Grandma for me. Love, Amy (niece/Goddaughter)*
