“ We were neighbors with Mike and Jackie years ago. From the very first day that Mike and Jackie moved in with their close-knit, always laughing and smiling brood, DeAndre and my son Matt have been the best of friends. Jackie and Mike treated and treat my son like he is their own. Matt slept over their house more than he slept at home. I still to this day remember Big Mike outside, filling the air of the whole neighborhood with his delicious BBQ and Jackie right by his side, laughing and flashing that infectious smile she always had.

*I cannot even begin to imagine the sorrow you are all feeling, but what I do know, is that the wonderful, strong bond you all have with such powerful love, will help you through this very difficult time. I don't know why God always takes the good ones so early, but Heaven sure did gain a beautiful soul. Our family has your family in our thoughts and prayers.*

*Much love and prayers,  
Jeff, Michelle, Matt Bunch, Jacob & Tyler Callebs*

“ I remember when I was just 2 or 3 years of age. My Mom and I went to see the color purple at the theatre. It was packed and the only parking spot was a handicap spot, so she parked there. When we came out she had a ticket and she told me not to tell grandma! As soon as we walked in the door I screamed, "Grandma, Mama got a ticket!" Lol She said, " I cant tell you anything anymore!" But she did, She was my best friend, we talked literally 30 times a day, even when she was sleep she would answer. I wouldn't want anything, all I wanted was to hear her voice. I love her so much!
