“ To the family Jacqueline Wright.

My family would like to express our condolence to the entire family. We understand that many will also words of encouragement with your family. We would also like to do the same thing. The best encouragement that you will receive, will come from God's word. So he invites you and your family to lean on him. He tell you 1 Peter 5: 7 to do this.to throw your anxiety on him, because he cares for you. No he does not want to see anyone suffering because a love one has died. Then he provide further hope and encouragement when he tells us that because of his son Jesus, that is going to be a resurrection for both the righteous and the unrighteous. Why not read this text for yourself.(John 5:28-29)
