“ *I remember you came to my house on heyden and joy road on your birthday when we was in the 2nd grade in a limo lol, boy that stuck out lol after them school years we kinda lost touch and then hooked back up thru my lil brother Scott. You have and will always be one of the coolest cats I've ever met from when we was kids to now bro! It's hard to even write this because you had so much in front of you and everybody around you was lifted from the hard work you put in day in and day out! You might be gone physically but the love and memories you've left ride forever!!! God bless you Jay, thanks for everything and know I carry you with me until we meet again! 🎉❤️🙏*
