“ *My little brother from another mother, you will be truly missed. It wasn't everyday that we seen each other. I see you at least twice a week when you was hanging with my neighbor kid. When you was in high school. No matter when we crossed paths, you all ways have me the biggest hug. I will miss the hugs and miss running into you.*

My little brother we will cross paths and I will get the biggest hug in heaven. Love you always like my own little brother
