“ Wish we would have stayed closer after high school but life tends to get in the way sometimes. Ive been looking at our cheerleading scrap books and i just remember that laugh. The world will be at a loss however i know you and your brother are now reunited. Fly high beautiful until our paths cross again.

“ Jennifer even tho it's been since we're children I last saw you. My heart is broken knowing you left this world way to soon.. I would do anything just to go back in the past one last time to spend the day with you, Jerry, Stephanie, Brain and Bradley as kids.. I miss you all so much, surly one day I will see your face again in heaven.. Tell your brothers I said hi, love you Jennifer! May God rest your soul beautiful girl.. :(
