Tribute Wall

KR

“Karen, I just heard. I am so very sorry for your loss. Enough already! How much more must you have to accept? How heavy your cross 'til it shall be lifted? Surely you have shouldered far more than anyone should be expected to. May peace and happiness find its way through the tears and lift your heart toward an everlasting love you deserve. Karen, you have helped so many others in their needs, allow others to help you in yours.
