“ *The Parker-Watson family of Washington, DC is saddened by the transitioning of our beloved uncle John L. Parker from labor to reward, however we have the Christian hope that we too will inherit eternal life. His devotion to his wife of more than 60 years, Aunt Rosa, was inspiring. He now joins in the heavenly realm ten siblings who predeceased him, including my own dear father, his elder brother, Rev. Robert (RC) Parker. We will miss his steadfast support of family events, the reunions and his reassuring presence and wise counsel at times of need. Uncle John and Uncle Freeman were the link that kept the Parker Family legacy alive. We were always excited when they came South from the Motor City. Well done, good and faithful servant!*
