“ Linda, my heart goes out to you. I know you feel as part of your heart has been taken away. But know for sure that he IS with You. I remember the good old days at the house. Me and John Jr. and Dad. Oh the things he did. lol. but you hung in with him. You gave him love and life until the end. I remember the song he made up, about you, while in the hospital. He was a charmer. And he was a great father and grandpa. Him and John are proudly talking now. I may not get to see him much, but I have a past life of memories of you and him. I know he wouldn't want you to cry, or be sad. It will be hard at times, but it will get better. Hold all those memories close to your heart. As I have been doing. I'm in Kentucky, been here 2 yrs... love to hear from you. We have a lot to be thankful for. God bless you and your family. My thoughts and prayers are with you. Daughter n law, Sherry Zachmann.
