Tribute Wall

“ My condolences to Kims family, i just found out this sad news. I have many memories to share as we were neighbors and friends for years. We rode bikes, played frizbee, took walks, i remember one friz bee game we played and the very. T-shirt that Kim gave me, i was wearing that day. The game was against us girls and the guys Jim and Mitchell. And as i jumped up and was reaching for the friz bee Kim also was reaching for it and her ring snagged on my T-shirt in the chest area and tore it open. Needless ro say game was over and i was as embarrassed as i could be. And Kim laughed so hard she peed her pants. LOL
