Tribute Wall

“ To you Donna, You were my dearest friend. We shared so many first, that kiss with a boy. Those nights we snuck out and hung together. That first puff of a cigarette. The laughs, the fun we had together. You were more than just my best friend, we shared so many secrets, laughs. The great times and the sad times. I am glad the pain you were in is gone now. But now there is a piece of me missing, I will see you again. As you are now with your Son, Hold a place for me. I love you so much Sister, You are with me always. Valerie Lynn Osborne-Rayburn My Mom misses you to, along with my girls June and Tanya, We will see you again.
