“ First off I wanna say I love you and miss you tremendously. You are in my heart and memories forever and always. Your smile, laughter, non filtered comments (lol) , hugs and kisses and your positive attitude to beat cancer will be with me always. I have always been very proud to call you my bubby and enjoyed all our talks and tears while sharing stories and memories.
You are safe now from all evil and pain and now you can rest in peace with momma , daddy , Mike and the rest of our angels in heaven. I LOVE YOU TO THE MOON AND BACK AGAIN .
