“ I met mandy through my brother bert. She was one of his best friends. I didn't know her well but I knew she was a great friend to a lot of people. She has a good heart and was easy to talk to. When my brother died many years ago she was my rock. She was there with me as I made all the funeral arrangements for my brother. She kept me strong and she comforted me when I was down. Mandy, thank you for being my friend when I needed one. I am sorry we did not remain friends after. You will be missed. Cyndy Allen
