“ *Marcel was one of my best friends in high school and even when I went off to college. We had lost track over time but had recently reconnected. I will miss my friend. There is no one else like him: kind, generous, and loving all while still making sure he told you the truth. My thoughts and prayers are with his family and friends as we all try to cope with the fact that he is no longer here with us. Eventually, we will rest in the comfort of knowing that he is in a better place.*
