“ *Isabell was a very special friend and a shining light for us to follow. A memory of Isabell will always live in our hearts and we will miss her genital spirt. I pray for her family's comfort during this difficult time.*

“ *Charles, Donna, and family. I haven't seen your mother in a very long time, but to this day she enters my thoughts on what a great example she was through her kindness and devotion to God. She will be missed by many, but there is a comfort in knowing she is now in God's hands. What a wonderful woman and family.*

“ *She was a very special friend, and so much more. So many wonderful memories she has left us with. I remember 60 years ago when she came to the house. I have loved her ever since that first meeting. Her testimony rings clear. She will be missed by all who loved her. To all her family our sincere condolence, and love.*

“ *We are so sorry for your loss Charles, Linda and family. Isabella was always such a wonderful friend to us and to Imogene. We will miss her infectious laugh, lovely smile, and wonderful christlike spirit. She always had such a kind spirit. She will be missed but we know she has gone home to rest. Our thoughts and prayers are with you all.*

“ *My all time favorite memory was when Charles and Isabella were at our house for a weekend. Isabella was helping clear the table, Charles was sitting with a plate in his hands and he must have said something that deserved a kick from Mom. He dodged and she only kicked the plate, which went end over end almost to the ceiling. Charles caught it on the way down. It was amazing, and she was an amazing lady. I love her and will miss her.*
