ME

“ It broke my heart when I learned that you have gone home to be with the Lord. I remember with fondness hanging out with you when we were kids. And when I found you on Facebook I had hoped to see you again. But that Opportunity never came. But it really doesn't sadden me. Because I know I will see you again one day. R.I.P Bro, Forever in my Heart.

“ To Mark's children, your Dad and I were 2nd cousins and i had not seen him in a long time. But, i know that through speaking to him on the phone a few times, he was a good dad and a good guy, who was so very proud of his family. He will surely be missed by many. I, like so many others was in shock when i saw the postings from his sister Becky. My heart breaks for all of you, There are no words that will make it better. All i can say is that i am so very sorry. Your Dad loved his family and he knew how much he was loved. Cherish the sweet memories you have and hold them close to your heart always. And, when you look up into the heavens at night and see that one bright star, that will be your Dad. Blow him a kiss or two and remember he is always with all of you RIP Dear Cousin
