“ *I send my condolences Vance, Paula, Vance Lynn, Mary, and Michelle. I know what it's like to lose a loved one I lost my mom and dad my mom and 2012 my dad last year. It's not easy and I can't imagine how Paula feels losing her son. My prayers definitely go out to her and Vance.*

“ *I know I haven't been in Mikes life for along time now, but I am so saddened to hear of this horrible tradegy. I can't stop thinking of him and the memories we shared, my parents as well are taking it hard, he was a part of my family. I pray they find the evil one that did this. Also praying for the whole family that God will comfort you all and help you get thru this. RIP Mike you will always have a place in my heart.*

“ *Never in my life have i taken a death so hard. I literally feel so scatterbrained, because thinking about EVERY childhood memory i have had in regards to friends involves Mike. Anyone who knew me growing up knew that if you saw Mike, you saw me. I was closer to him growing up then i was with my brothers. I know when i arrive up in Michigan, that this will be one of the hardest things in my life that i have dealt with. But trying to comfort his family with love and laughter is what i will attempt to do.*

Eric aka Big Head aka Hoggie aka John Engler is coming with a loving heart and I wanna take Vance up on that ice fishing.

“ *Memory's roll through my head from childhood to now. You always had away to make anyone smile even when they was down. I remember just looking at you and laughing just in your goofy ways.. Thank you for being a part of my life thank you for helping my dad when you would come back up with him. I know you enjoyed going to church with my dad and your heart was pure love as a Christian. You are good soul and I know you are watching over your family. We shall meet again cousin in place of nothing but beauty and no hate just love for all. Rip mike love your cousin wendy xoxoxoxo*

“ Our family is heart broken by this my cousin was killed for a few dollars, i can not even grasp that there are evil wicked beings on this earth that have no value of life, a son a brother a uncle a nephew a cousin a Godly man.. only 36 yrs old never had the chance to marry or have children but loved life and all that were in it.. he was a big kid a heart and loved the lord and was gunned down like an animal...I pray they catch the un human beings that done this so they never take another life. Please keep our family in your prayers for this will be the hardest thing we endure as we lay to rest our loved one and a part of all of us has died with him..knowing he was gunned down like a animal and his life was cut short by the most evil ruthless un human beings that roam this earth. our family will never recover from this but we will hold our heads up and continue on our journey threw this life knowing that true evil un human beings are among us that can take life with no remorse and no mercy....for the judgement is not ours the bible say's its Gods and i pray God will have mercy on them on there judgement day. and that justice be done to them according to the laws of this nation, but that will not bring Mike back but to know these animals are off the streets to never take another life in vein is all we ask. for God will deal very harsh with them for there sin's they have commited. I feel this may not be the first life they have taken in vein. but our family will not stop till they are found and brought to justice for Micheal John Cole we will get justice for you Mike you will never be forgotten for you have left a very special gift with all who knew you and that was how you lived your life.. your happiness, your heart of gold, your kindness, your laugh, your jokes and most of all your impressions of our other family members no one could do them as good as you... we will miss you on earth, but will see you again in heaven for we all know you are rejoicing with the lord.....GOD BLESS YOU MICHEAL JOHN COLE FOREVER AND ALWAYS IN OUR HEARTS

“ I have known Michael since he and my son Eric met in the 2nd grade. He has been at my house a few thousand times, to say the least. When I looked up the news video of what happened, it said, "Man killed at Tire Shop." It is hard for me to think of Mike as a man, although I know he was. To me, he will always be a kid because I knew him his whole childhood. He spent the night many times and was always polite to me, calling me "Mrs. Hoggarth" all the time. I took him and Eric to Jacksonville, Florida for the week when they were about 17 or 18. They had a ball, even though I wiggled out because of Mike's smelly tennis shoes and the song that they played over and over and over, until I couldn't stand it anymore. LOL My heartfelt sympathies to Vance and Paula. I cannot even imagine nor do I wish to. Rest in Peace, Good Son.
