“ *My sister Jackie and I spent everyday with Mikey we made memories and partied at night , we have so many fun memories with him , He will forever be missed . Mikey always made sure me and jackie were okay before anything , He would talk to us when we were upset and make us feel better . when he was around it was complete now it feels empty when he not here , i wish we had more time together , i still can imagine him walking through the door after work and me and jackie cooking him dinner . his death has took a big toll on my family . my family isnt has perfect as it could be but we all loved mikey , he always put everyone in check and he got shit done ! but my brother was in pain , not being able to see his kids and missing my mother . He is free now i just hope you look down on us when we need you , your going to see me grow up and become a rich bitch just watchh. ripmikeystew <3 FOREVER IN OUR HEARTS*
