“ *I'm sorry for your loss. Your mom always put a smile on my face. I remember running around plaza south and your mom telling me to slow down. She will always hold a special place in my heart. Prayers going up for her entire family*

“ *How do I say this
And where do I start
Everything hurts
Especially my heart
It hurts me so much
That we can't see you anymore
I wish I got to say my goodbyes
Before you walked in Gods door
You're an angel in heaven
And I try not to cry
But I know I'll see you later
So this is not my goodbye*
