“ When Paul came into the lives of myself and my two sons, he was very instrumental to our life. I met him as a stranger, took him as a friend, but as time passed, I realized I loved him. Paul will always be remembered in my heart, his thoughts and our memories of the times we loved, the times we cried, the times we fought and the times we laughed. Paul accepted us as we were, encouraged us to grow and never once lead us in the path of harms way. Paul will be deeply missed and I would like to express our sincere condolences to the Family of Paul King and may the Lord give you strength, peace and comfort during this difficult time. From Regina Cannon and family of Ft. Lauderdale, Florida.
