“ *Bob was a part of the family for over 20 years. He was the brother I never had. We didn't always get along, but hey, isn't that how family goes? I hope that you find peace now Bob.*

For ALL of his children, take comfort in each other. Share your memories with each other. Know that he will always be with you.

For my sister, Alice, cling to your children and grandchildren. Breathe. Know he loved you. Never forget that.
