“ *First of all I would like to say thank you for all the great things you have to say about RoseAnn, She Is one of my sisters and all of it is so true. She was my right hand always there to help me out. She was one of seven kids of Don and Joyce Martin. Rose I miss you so very much, my heart is so heavy. I look around the house and see you all over. You were and still are a great sister, I am very proud that you are one of my sisters. You didnt have much but if you did and someone needed something you were there for them. We have always been a very close family, she was not only my sister she was my friend. We lived together for many years and to just be gone in one night is unreal, At least I know you are back in Moms, Mikes, Dicky's arms. Uncle Bill and the rest of the family and friends there will be in line for their hugs. I love you Sis and you will always be in my heart forever, Thank you for being my Sister,,,*

“ *My deepest condolences go out to the Martin family. I've known Rose since grade school, and have a lot of fond memories of her and their close-knit family. We hung out together as teen's, stayed the night at each others houses, attended concerts together and did the things girls liked to do. Rose you had a beautiful smile that i'll always remember. I am sadden and shocked by her sudden passing, Sending a prayer out to her family. RIP MY SISTER ROSE.*
