“ *My mother moved next door to Mrs. Dishman when I was 2 years old. That was 45 years ago. She took care of my mother and I like we were one of her own children and grandchildren. I will never forget the wonderful memories of us gardening together, planting flowers, or guiding me with her advice. Nothing was right unless "Mrs. Dish" told me. Coming home to visit on Liebold will never be the same.*

My dear friends Heather and Donna, words cannot express the profound sadness I feel for the loss of Grandma Rosie. For many years I listened to all of the funny stories you all shared about her. When I finally had the chance to meet her, it was as if I had known her all my life. I will always treasure that moment.

She was a beautiful soul. I know that her passing has left a void in your hearts that will never be filled. Just know that in time the pain will subside (just a bit) and you all will be able to find comfort in the memories of the loving moments you all shared. Big hugs to you Heather and Donna and my sincere condolences to the rest of the family. Rest is perfect peace Grandma Rosie. You will truly be missed. With love and sincerity...Kevin D. Lewis
