There is no ONE memory I can possibly single out for someone who is in my everyday memories! We, on 15th were with each other each day growing up and if one of us was missing from our neighborhood crew and we didn't know why, we'd go ask their mother! We loved and cared about each other. SHERYL was at the big sister level. She sang with the singing group, The Tempulettes. They were local talent show stars. If they didn't win, they were the SHARPEST act on stage! A different outfit for each song! We were and are family. SHERYL is no longer with us but we won't have to go looking for her, WE KNOW SHE RESTS IN HEAVEN! Lo've you. See. You on the other side.
