Tommy I can only pray that know one's feeling will get offended but your and your brother and sister are my my favorite babies. I know that your all grown up now but to me you were all just kids. You had a type of spirit that could light up any room. and the scene of humor that could make anyone laugh until they pissed they're pants at times. well those are the times I will cherish and always remember. I know that your mom and family must be hurting very much. I'm so sorry for all your pain. Go fly at peace with the angles tonight and always sweet heart. I love you so much and sorry that I wasn't there to tell you good bye.. Love Aunt Brenda

“ Tommy, what do I say? You left this world way too soon. I know you didn't plan it this way but it happened. One of the sweetest, gentle souls that I know. You have left behind many who love you so much, your mom, brothers, two beautiful children and too many aunts, uncles, and cousins to count. My heart has an empty feeling, I love you and I will always miss you.

So sorry for all your pain and loss Theresa. I will keep you all in my prayers. I have always felt closer to your 3 boys and his sister than any of my nieces and other nephews, but I love them all. I really don't understand why God took such a good man but I do however believe that he don't want the bad one's and just maybe he had a better plan for Tommy than we could ever understand. I will always love ya all and miss ya.. Just remember you raised a fine young man and 2 others also..
