While stationed at Fort Bliss in El Paso, Texas, he served with the rank of Staff Sergeant and was awarded the WWII Victory Medal. It was there he met Evangeline. They married, and moved to Detroit where Treasvon became a government employee at Fort Wayne. Treasvon then worked for General Motors at the Fleetwood Cadillac Plant where he was promoted to foreman of quality control. After retiring from General Motors he became a consultant, in the position of quality control engineer. Treasvon took great pride in all of his employment responsibilities, executing a very strong work ethic.

Tres enjoyed maintaining and detailing cars and collecting model cars. He loved traveling and enjoyed wonderful cruises. He loved bringing family and friends together to celebrate and enjoy each other's company. He had a great
