“ *One of my favorite memories of Bill is a few years ago when I say a few years ago, I mean we were alot younger. Anyway Michelle and i went to pick Bill up from work, and it was raining hard and my windshield wipers did not work. Bill had to hang out the passenger window and move the wipers with his hand. We all was laughing all the way home. Bill could make you laugh just by looking at you. I still can't believe you are gone. I am so proud you were my cousin. RIP*
